

BRANDON UNIVERSITY FOUNDATION ANNUAL REPORT 2001

**BRANDON
UNIVERSITY**

Founded 1899

Message from the President of the Foundation

In my first year as President of the Brandon University Foundation, I am happy to report positive growth. The annual giving to the Foundation has been on a steady increase. With donations of over \$1,400,000, gifts-in-kind of nearly \$189,000, and student and government contributions of more than \$900,000, the Foundation is in the process of strengthening its fundraising programs to create a stronger and more sustainable future.

In October 2001, our new University President, Dr. Louis Visentin, delivered the SCOPE 20/20 strategic plan and a new list of priorities for fundraising. A feasibility study was undertaken with the help of Burk and Associates Ltd. Interviews were conducted with 70 community members to test the feasibility of a multi-million dollar campaign. Recommendations from the study suggested that the University and Foundation spend the next few years strengthening existing fundraising programs, with particular emphasis on Planned Giving. In that period of time, funds could be raised for a number of prioritized projects, with the SCOPE 20/20 Campaign public launch extended into the future.

In preparing for the SCOPE 20/20 Campaign, the Foundation's job is to ensure that the current programs are effectively implemented. Therefore, we have embarked on the ambitious task of preparing our first ever multi-year strategic fundraising plan to be delivered in October 2002.

Looking back over 2001, two other highlights stand out. Our Annual Event raised over \$10,000, which was directed to an endowment for athletics scholarships. Later in the year, philanthropist Michael Chernoff donated more than \$500,000, which was matched by the University and Foundation, creating BU's largest ever scholarship endowment for entering students.

I wish to extend my warmest appreciation to the volunteers on the Brandon University Foundation for their efforts over the past year. I'd like to extend special congratulations to Dr. Don Penny, recipient of the Association of Fundraising Professionals, Manitoba Chapter Outstanding Volunteer Fundraiser Award for 2001. I'd also like to thank Mr. Ron Helwer, recipient of the 2002 Brandon University Foundation Apex Award, and Mr. Kerry Hawkins, recipient of the 2002 Brandon University Outstanding Volunteer Fundraiser Award for their dedication and service to Brandon University. Finally, I'd like to thank all of our donors for their continued support.

John Macialek
President

The Brandon University Foundation was incorporated in 1980 with a mission to promote the advancement of higher education at Brandon University and to improve the quality of its facilities and activities.

Presidents' Circle

The Brandon University Presidents' Circle recognizes annual contributions of \$1,000 or more towards a wide variety of needs on campus.

Supporters of the Brandon University Foundation Presidents' Circle have become a special part of a unique donor family. In 2001, membership in the Presidents' Circle steadily increased with donors providing \$42,685.08 towards the enhancement of programs and services on campus.

A contribution to the Presidents' Circle can make a significant difference to the future of programs and services on campus. Each gift, paid through either pledged installments or as a one-time donation, can purchase books to increase library acquisitions, establish an annual scholarship or bursary that will assist a student to pursue their academic goals, or acquire valuable research equipment.

Planned Giving

No matter what your age, planned giving can provide you with substantial estate and tax planning benefits. The most common type of planned gift is a bequest left in a will, followed by gifts of life insurance. Each of these types of planned gifts can make enormous tax savings to the value of your estate. Gift annuities are another popular way for retirees to support their favourite charity while providing him or her with tax-free income. To date, 20 individuals have chosen Brandon University to leave their legacy, while making practical decisions about their estate planning.

Planned Giving Expectancies

Life Insurance	\$ 235,732
Bequests	\$ 2,205,000
Total Expectancies	\$2,440,732
